WEEKLY

ADVERTISING

OF THE

COUNTY ATTORNEY.

I am roughly acquainted with the law

and the county attorney, having

had no particular experience in

the office of the

County Attorney.

For the office of County Judge but

one name is used. Judge Morrow will

be called upon immediately to stand

as a disappointment to the

party. If he should decline

to run, he is somewhat undecided

whether to make the race again or

not. He is a man of great ability

and can withstand the pressure that will

come from all parts of the county de-

manding his services for another

term in the position he has so sa-

safely.

For County Clerk, Mr. A. B. Long,

of Crofton, Councilman E. M. Flack

and Prof. L. F. Frogg are being

mentioned. Prof. Frogg is in

the strongest position as he is

an important officer.

old and the divorced wife of a man

marriage.
